

Attention: Fairlane Agencies

Most organizations talk about building business partnerships; Fairlane Agencies puts this into practice and more with everything other organizations speak of. Their team is accessible, reliable, and looks out for their customers' best intentions. When I interact with them it is like an extension of our own company's family. They have the expertise and the know-how to excel in these unprecedented times, hitting every deadline and milestone we agreed to along the way. They are true Retail / Wholesale heroes!

Fairlane Agencies has provided Three Star Cash & Carry the opportunity to engage in several projects with them, from Spaza opportunities to Retail promos and even more so with our Stokvel events.

Fairlane Agencies and its people are extremely organized, professional and communicate the needs of their clients in a way that allows us to present our budgets and targets in a unique way. Their commitment to creating a win for all involved is something we appreciate in a supplier.

Thank you,

Alivio Vieira
